Exhibitor Feedback from Brand Triumph

“Very impressed with the entire event: before, during and after... Excellent group of professionals across the board. Fun and engaging events throughout that were well moderated/hosted to bring energy and connection. I've been to many of these sorts of events, and this stood out as topflight.” - DNA Vibe

“I have attended many conventions over the years as a participant and as a vendor, and this one was terrific. The location, the hotel accommodations, the physical space and layout, the food, and the set up, the ease of all aspects being a vendor, the FYZICAL details, preparation and execution of Brand Triumph and participation were all excellent. We are very happy that we participated and look forward to next year.” - BEMER

“This was my first experience at a FYZICAL conference. The traffic was steady, excitement and interest in our product was outstanding.....but an amazing thing about my FYZICAL experience was the vibe I caught thought the event. It felt so good being surrounded by people that were looking for positive outcomes, a good laugh, open to innovation, thinking outside the box. Very refreshing. See you next time!” - Digitsole

“Best event we have attended. Top notch across the board.” - Stopain

“Overall, great experience! Well done team! Pre- and onsite communications were great. I felt prepared as a vendor and was able to prepare / set great expectations with my team. We are happy to continue sponsoring at the Diamond level.” - WebPT

“Such a great experience all around. The engagement from the owners/decisions makers was very impressive. Loved being able to meet all the individuals we have been working with or speaking to, face to face, without having to do onsite visits across the country. (: Overall, I am very impressed with the event, the takeaways and the company overall.” - Aureus Medical

“It was great - so much opportunity to meet with the attendees... So many providers came by the booths and had really good strong conversations. The set up worked great, having the food and drink, and happy hours in the exhibit hall. Great organization!” - Bardavon
